SkinPen Collagen Induction**\$375**

A state of the art, medical grade, FDA approved device used to minimize the appearance of fine lines, moderate to severe wrinkles, deep folds, and texture from acne scars. SkinPen is the gold standard of micro-needling!

(60 min)

- *Add-On Neck & Decollete to SkinPen Collagen Induction - \$125 (add 30 min)*

GuaSha Lymphatic Facial**\$175**

Facial GuaSha is a massage technique designed to relieve tension in the muscles of the face, boost blood circulation, and encourage lymphatic drainage. Helps banish any puffiness and bloat!

(60 min)

DermaFacial**\$150**

Dermaplaning is an exfoliation treatment that involves gently removing both dead skin cells and fine vellus hair. This, combined with a custom Jelly Mask, will leave the surface of your face ultra smooth! Moisturizer, serum, and sunblock put the finishing touches on this fantastic face treatment.

(60 min)

Sofwave™**contact us for pricing*

Sofwave™ is the latest technology to revitalize the skin through innovative stimulation of the production of new collagen. Sofwave™'s Synchronous Ultrasound Parallel Beam Technology is FDA cleared for lifting the eyebrow, submental and neck and reducing fine lines & wrinkles.
